

YEZHUO LI

DEPARTMENT

School of Cybersecurity
Hampton Hall 2129L

WORK ADDRESS

4607 Hampton Blvd, Norfolk, VA 23508
(757) 683-3902

RESEARCH INTEREST

Computational Statistics and Uncertainty Quantification for Reliable Decision-Making in Adaptive Systems.

EDUCATION

Clemson University

Clemson, SC

- Ph.D. in Mathematical Science 2020-2025
- Master of Mathematical Science 2020-2023

SELECTIVE PRESENTATIONS

- Simulation-Based Cyber-Physical Resilience Planning for Autonomous Container Movement in Port Networks. International Multidisciplinary Modeling 2026
International Multidisciplinary Modeling & Simulation Multiconference Genova, Italy (Remote)
- Constrained Bayesian Optimization under Bivariate Gaussian Process with Application to Curing Process Optimization – ***Section Chair*** 2025
Institute of Industrial and Systems Engineers (IISE) 2025 Atlanta, GA
- Sequential Design and Uncertainty Quantification for Decision Making in Cure Process Simulation 2025
Institute for Mathematical and Statistical Innovation (IMSI) Workshop: Uncertainty Quantification for Material Science and Engineering Chicago, IL
- Optimal Decision of Cure Process: Constrained Bayesian Optimization with Gaussian Process Models 2024
South Carolina Chapter of the American Statistical Association 52nd Annual Meeting Columbia, SC
- Uncertainty Quantification of Optimal Decisions in Cure Process 2023
The 6th International Conference on Design of Experiments (ICODOE 2022) Memphis, TN
- Optimal Design of Controlled Experiments for Personalized Decision Making 2023
South Carolina Chapter American Statistical Association 51st Annual Meeting Columbia, SC

SELECTIVE AWARDS

- Honorable Mention for the R.L.Anderson Graduate Student Poster Award at Southern Regional Council on Statistics 59th Summer Research Conference (SRCOS 2024) Jun 2024
- Boyd Harshbarger Travel Award Winner at Southern Regional Council on Statistics 59th Summer Research Conference (SRCOS 2024) 2024
- Best Student Presentation Award at South Carolina Chapter of the American Statistical Association 52nd Palmetto Symposium (SC-ASA) Apr 2024
- Graduate Student Interdisciplinary Research Awards at Clemson University (Fellowship \$4000) 2023

PROFESSIONAL EXPERIENCE

- **Researcher Assistant Professor** 2025-Present
Old Dominion University
- **Research Assistant** 2021 - 2025
Clemson University, School of Mathematical and Statistical Sciences Clemson, SC
Sponsored by the Artificially Intelligent Manufacturing Paradigm for Composites, an Energy Frontier Research Center funded by the U.S. Department of Energy, Office of Science.
Collaborate with Engineering, and lead mathematical modeling and data analytics in manufacturing process.

- **Newsletter** Summer 2023
Energy Frontier Research Centers (EFRC) at Artificially Intelligent Manufacturing Paradigm for Composites

TEACHING EXPERIENCE

- **Old Dominion University** 2026-Present
School of Cybersecurity Norfolk, VA
CYSE 525, Cybersecurity Strategy and Policy (G): F26.
- **Clemson University** 2021-2025
School of Mathematical and Statistical Sciences Clemson, SC
STAT 2220, Statistics in Everyday Life (UG): F24.
MATH 1020, Business Calculus I (UG): F21, Summer21, S22, Summer22, F22, S23, Summer23.
MATH 1030, Elementary Functions (UG): Summer23.
MATH 3110, Linear Algebra (UG): S21.

Updated Sep, 2026.
